GENERAL REVISION SUPPORT	<p>*Read through the key topics and use them to find the most suited revision skills for you.</p> <p>*Use the planner to organise your revision days and times.</p>	<p>BOOK: CGP: How to revise for GCSE-study skills and revision planner. ISBN 9781789082807</p>
English -IGCSE	<p>Your mock exam will be on Paper One.</p> <p>There are 3 sections and you need to plan your answers carefully.</p> <p>Watch these revision videos carefully and make notes.</p> <p>If you don't feel confident with question 2d or you are running out of time (the long reading question) focus on answering question 3 instead as it is worth 25 marks.</p> <p>Afterwards, look at CAIE past papers and so to remind yourself what the paper looks like.</p> <p>Work through the markscheme.</p>	<p>Exam Overview Language Paper 1: CIE IGCSE 0500/0990 (watch this video first)</p> <p>Language IGCSE Ms Duckworth's Classroom</p> <p>CAIE Paper 1 IGCSE English Language Past Papers</p>
English Literature	<p>You will be assessed on the texts you have studied in class this term. We will adapt an exam paper so that you are asked the relevant questions.</p> <p>Re- read the texts and your annotations, using the revision resources shared with you in class. Use the videos to support you.</p> <p>Alternatively, use BBC Bitesize and look carefully at past exam papers and their marks schemes to help you plan your responses.</p>	<p> Macbeth Act 1 Summary (each act should follow) Macbeth Revision- themes</p> <p>AQA Power and Conflict Poems - Explained - YouTube</p> <p>Love and Relationships Poetry: how to respond to an essay question (AQA GCSE English Literature)</p> <p>Poetry - GCSE English Literature Revision - AQA - BBC Bitesize</p> <p>AQA Paper 1 GCSE English Literature Past Papers AQA Paper 2 GCSE English Literature Past Papers</p>
Maths	<p><u>Online Revision Resource for Maths:</u></p> <p>Mathswatch https://vle.mathswatch.co.uk/vle/ All topics grades 1 - 9. Video teaching on each topic with worksheets set on each video clip. Topics graded in chronological order from grades 1 - 9.</p>	<p>Website: Mathswatch https://vle.mathswatch.co.uk/vle/</p> <p><u>Physical Revision Guide:</u></p> <p>The GCSE AQA Mathematics for the Grade 9 - 1 course: The</p>

Subject	Revision Advice *How to revise *Key topics to focus on	Revision material *Books *Websites
	<p>Many students already have a login for MathsWatch but if they do not have one they should simply ask the teacher to create one for them.</p> <p>Physical Revision Guide:</p> <p>The GCSE AQA Mathematics for the Grade 9 - 1 course: The Revision Guide - Foundation Level or Higher Level by CGP.</p> <p>Not all students like online resources. We therefore provide students with the above physical resource. This resource contains examples on how to work out maths problems. It also contains revision questions at the end of each section. All answers are available in the back of the revision guide.</p>	<p>Revision Guide - Foundation Level or Higher Level by CGP.</p>
Science- Biology	<p>Tips on how to revise for Science:</p> <p>Watch a video and then try to recall key facts.</p> <p>Design ten questions on the video you watched.</p> <p>AQA Topics to cover: Cell Biology: Cell structure/ Cell division/ Transportin cells Organisation:Animal organisation- Gaseous exchange systems- digestion-transport systems/ plant organisation/ non-communicable disease Infection and response: Communicable diseases/ Treating, curing and preventing disease/ Monoclonal antibodies/ plant disease Bioenergetics: Photosynthesis / respiration/</p>	<p>https://www.bbc.co.uk/bitesize/examspecs/zpgcbk7</p> <p>Please ask your teacher for a GCSE Knowledge Retriever Booklet Biology</p>
Drama	<p>Tips for revising: * Reread the play so you know it inside out! * Revise the key vocabulary for the subject focusing on physical and vocal skills. * Watch and re-watch your chosen production that you will analyse an actor's performance in. Remember this is a streamed production so you have access to it at home.</p> <p>AQA Topics to cover: * Read the play script <i>Blood Brothers (an electronic copy has been shared with you)</i> * Research past design images for professional productions of this play. * Research the time period of the play in Liverpool so you have contextual information.</p>	<p>https://www.bbc.co.uk/bitesize/examspecs/zrnjwty</p> <p>Youtube.co.uk to watch the following performances: 1. Girls Like That by Evan Placy 2. Our Generation by Alecky Blythe</p> <p>Book: CGP: GCSE Drama, The revision guide ISBN: 9781782949626</p>
History	<p>Tips and strategies: Focus revision on Germany and the Weimar Republic</p>	<p>Practise the past paper questions on google classroom: https://classroom.google.com/c/Njl</p>

	hour exam.	
Music	<p>Revise from the music production and theory sheets that you have worked on so far in lessons.</p> <p>Use the textbook (Rock school music production and Rock school pop music theory).</p> <p>Use your class notes in your folder to support revision.</p>	<p>Book: Rock school music production and Rock school pop music theory</p>
Spanish	<p>The mock paper will focus on Listening and Reading.</p> <p>Use your CGP books as a revision tool. This is the link to access the listening activities we have been practising in class:</p> <p>https://www.cgpbooks.co.uk/resources/free-audio-files-for-grade-9-1-gcse-spanish/audio-for-gcse-aqa-spanish-exam-practice-workbook</p> <p>When you have a spare five/ten minutes, use this time to fine tune your skills so you feel confident going into the mock in January. You can check your answers at the back of the book.</p> <p>Also look through your exercise books at the various grammar activities we have completed this term.</p> <p>Revise key points such as: the difference between <i>ser</i> and <i>estar</i> as well as memorising other key everyday verbs you have learnt with me.</p>	<p>Book: CGP book we have been working from in class.</p> <p>This has lots of useful vocabulary that may come up in the reading part of the exam:</p> <p>https://www.bbc.co.uk/bitesize/examspecs/z4yyjvhv</p>
Computer Science	<p>The mock paper will be approximately half theory (Paper 1 content) and half programming skills (Paper 2 content).</p> <p>The theory half of the paper will cover everything that we have done on the course so far. This is:</p> <ul style="list-style-type: none"> ● All of Topic 1 (Data Representation) ● All of Topic 2 (Data Transmission) ● Topic 3 (Hardware) <ul style="list-style-type: none"> ○ 3.1 Computer Architecture ○ 3.3 Data Storage <p>The programming half of the paper will test the knowledge and skills that we have practised in class. The final question will be a 15-mark unseen programming problem.</p> <p>All of the lesson presentations are on our Google Classroom - you can use these to check anything you are unsure on, or anything you missed.</p>	<p>IGCSE CompSci Learner G... <i>This is the exam board's learner guide. It explains how the exams work, and has a self-assessment grid for you to track how well you understand each topic. It also includes recommendations for other websites you can use for revision.</i></p> <p><i>If you do not have a computer or printer at home, let Matthew know and they can print you a copy.</i></p> <p>Revision Guides <i>These have been ordered - Matthew will let you have them when they arrive.</i></p> <p>Programming Practice</p>
