School closures during the GCSE season 2024

Dear Parent/Carer,

As you will already be aware from the last review meeting, there are occasions during the GCSE season when we need to close the school for year 9/10 students at the Dukes Centre. When an exam involves all year 11s, every room in the school is required, and every member of staff is needed to invigilate.

I am writing to give you advance notice of the dates of these closures. On these days, students will be set work by their individual subject teachers. Year 9/10 end of year assessments will be taking place during the week commencing 24th June and therefore some students may wish to use the closures to revise for these assessments.

Off-site learning (Sport at Imber Court, Construction, Discover, Anstee Bridge) will continue on these days unless I inform you otherwise.

The dates of the closures are:

Wednesday 8th May	School closed for the afternoon Students will leave at 12.15
Friday 10th May	School closed for the morning. Students should arrive at 11.30
Thursday 16th May	School closed for the morning Students should arrive between 12.15 and 12.45
Monday 3rd June	School closed for the morning Students should arrive between 12.15 and 12.45
Friday 7th June	School closed for the afternoon Students will leave at 12.15
Monday 10th June	School closed for the morning Students should arrive between 12.15 and 12.45

Yours sincerely,

AV Vigor
